Intermediate courses will have a minimum of three Advanced level signs. There are no jumps in this class.

Handlers may not touch their dog or make any physical corrections. The letters RM may be added after the name of each dog that has been certified by at least two different judges to have received qualifying scores in the Master class at ten licensed or member rally trials. That dog will receive a Rally Master certificate from the AKC. The letters RM will be followed by a numeric designation indicating the number of times a dog has met the requirements of the RM title as defined in these regulations. (RM2 for 20 qualifying scores, RM3 for 30 qualifying scores, RM4 for 40 qualifying scores, etc.)

## Eligibility Requirements for Alternative Titling Classes

### PREFERRED NOVICE

#### ALTERNATIVE TITLING CLASS

*(Replaces the Pre-Novice class established July 1, 2013)*

**Section 1. Preferred Novice Class.** The Preferred Novice class is an alternative titling class for dogs that have not won the CDX or PCDX or higher Regular or Preferred titles. This is an additional class that may be offered by clubs at obedience events. The owner or any other person may handle dogs in this class. Owners may enter more than one dog in this class. Dogs entered in Preferred Novice may also be entered in other obedience classes. Prior to the start of judging, the judge will decide the Sit/Down position to be performed in this class. The position will not be disclosed to the exhibitors until it is posted at the ring, approximately 45 minutes before the start of the class. In future assignments, judges are required to alternate the Sit/Down position so that each will be used approximately the same number of times. At the listed start time for the class a walkthrough of up to 10 minutes will be allowed for handlers without their dogs. The judge must be available in the ring during this period to brief the handlers and answer any questions they might have. This class may be judged by anyone approved to judge Novice obedience classes.

#### Section 2. Preferred Novice Exercises and Scores.

The exercises, maximum scores and order of judging:

1. Heel on Leash and Figure Eight 40 points
2. Stand for Examination 40 points
3. Heel Free 40 points
4. Recall 40 points
5. Stay – Sit or Down 40 points

Maximum Total Score 200 points

The maximum judging rate is nine (9) dogs per hour.

**Section 3. Preferred Novice Title.** The letters PCD may be added after the name of each dog that has been certified by two different judges to have received qualifying scores in Preferred Novice class at three licensed or member obedience trials. That dog will receive a Preferred Novice certificate from the AKC.

**Section 4. Heel on Leash and Figure Eight Performance and Scoring.** This exercise will be performed and scored in the same manner as the Novice Heel on Leash and Figure Eight.

**Section 5. Stand for Examination Performance and Scoring.** This exercise will be performed and scored in the same manner as the Novice Stand for Examination.

**Section 6. Heel Free Performance and Scoring.** This exercise will be performed and scored in the same manner as the Novice Heel on Leash but without either the leash or the Figure Eight.

**Section 7. Recall Performance and Scoring.** This exercise will be performed and scored in the same manner as the Novice Recall.

#### Section 8. Stay – Sit or Down – Handler Walk Around the Ring.

The principal feature of this exercise is that the dog remains in the sit or down position as directed by the judge. All dogs entered in the class will perform the same stay exercise. The dog and handler should be positioned approximately equidistant to each side of the ring as to be perpendicular to and facing one of the sides. The handler will stand with the dog sitting in the heel position. The orders are: “Sit your dog” or “Down your dog,” “Leave your dog,” and “Exercise finished.”

The judge will ask, “Are you ready?” before giving the first order. On the judge’s order, the handler will command and/or signal the dog to sit or down. The judge will order, “Leave your dog,” and the handler may give a command and/or signal to stay and immediately proceed straight forward to the edge of the ring. The handler will walk around the inside perimeter of the ring in a direction as indicated by the judge, with all dogs entered in the class being judged the same way. Upon completing a full perimeter walk around the ring, the handler will approach the dog from the front and proceed to walk around and in back of the dog to the heel position. Once the handler has returned to heel position, the judge will give the order “Exercise finished.”

**Scoring.** A non-qualifying score (NQ) is required for the dog moving a substantial distance away from the place where it was left any time during the exercise, not remaining in the sit/down position until the handler has returned to heel position, and repeatedly barking or whining. A substantial deduction will be made for a dog that moves even a short distance from where it was left, that barks or whines only once or twice, or that changes position after the handler has returned to the heel position and before the judge has given the order, “Exercise finished.” Minor or substantial deductions, even to the point of a non-qualifying (NQ) score, will be made for any additional commands to the dog after the handler has commanded and/or signaled the dog to stay. Scoring of the exercises will not start until after the judge has ordered the handler to leave their dog, except for such things as rough treatment of a dog by its handler or resistance by a dog to its handler’s attempts to make it sit/down. These will be penalized substantially; in extreme cases, the dog may be released. The judge will not give the “Exercise finished” order until the handler has returned to heel position.

## Non-Regular Classes

**Team Class.** The Team class will be for teams of any four dogs that are eligible under these regulations. Five dogs may be entered, one to be considered an alternate for which no entry fee will be required. However, the same four dogs will perform all exercises. Dogs may be handled by the owner or any other person, need not be entered in another class at the same trial, and need not have obedience titles. A separate official entry form will be completed in full for each dog entered. No dog may be entered on more than one team.

There will be two judges, one of whom will call orders while the other scores the team's performance. The teams will be judged one at a time, except for the group exercises, which will be done with no more than four teams (16 dogs) in the ring. The dogs on a team will perform the exercises simultaneously and will be judged as specified for the Novice class, except that a Drop on Recall will be used in place of the Recall exercise. In all exercises except the Drop on Recall, the teams have the option of executing the judge's orders on the team captain's repeat of the command.

In the Figure Eight portion of the Heel on Leash exercise, five stewards will be used. The stewards will stand 8 feet apart in a straight line. Each handler, with the dog sitting in heel position, will stand about equidistant from each of two stewards with all members of the team facing the same direction. On orders from the judge, the team will perform the Figure Eight, each handler starting around the steward on his/her left and circling only the two stewards between whom he/she had been standing.

In the Drop on Recall exercise, the handlers will leave their dogs simultaneously on order of the judge. The dogs will be called or signaled in, one at a time, on a separate order from the judge to each handler. Handlers will, without any additional order from the judge, command or signal their dogs to drop at a spot midway between the line of dogs and the handlers. Each dog will remain in the down position until all four have been called and dropped. The judge will give the order to call the dogs, which will be called or signaled simultaneously. The finish will be done in unison on order from the judge.

**Team Class, Scoring.** Individual dogs' scores will be based on the performance of the dogs and handlers individually plus team precision and coordination. Each dog and handler will be scored against the customary maximum for a team total of 800 available points. Individual dogs' scores need not be recorded.

The exercises and maximum scores:

1. Heel on Leash 160
  2. Stand for Examination 120
  3. Heel Free 160
  4. Drop on Recall 120
  5. Long Sit 120
  6. Long Down 120
- Maximum Total Score 800

**Brace Class.** The Brace class will be for two dogs of the same breed or two dogs listed with AKC Canine Partners of similar height at the withers that are eligible under these regulations and capable of performing the Novice exercises. The dogs need not be owned by the same person but will be handled by one handler. Dogs may be shown unattached or coupled (the coupling device will not be less than 6 inches in overall length). Whichever method is used will be continued throughout all exercises. A separate official entry form will be completed in full for each dog entered. Exercises, performances and judging will be as in the Novice class. The brace should work in unison at all times. Either or both dogs in a brace may be entered in another class or classes.
