**Rally Choice Class.** All dogs are eligible to enter this class and may continue to compete indefinitely. There are no jumps in this class and all signs are judged off leash. Verbal encouragement, multiple commands, and/or inaudible signals using one or both arms and hands are allowed; the handler’s arms need not be maintained in any particular position at any time. Penalties will be assessed for handlers clapping their hands, patting their legs, touching the dog or any physical corrections. Failure of the dog and handler to perform the sign correctly on the first attempt will result in a ten-point deduction for an incorrectly performed (IP) sign, and the handler should move along without attempting a retry. For additional scoring information, please reference Chapter 2, Section 30. Scoring. The Choice course will have 15 to 20 signs (Start and Finish not included) with a minimum of three and a maximum of seven stationary signs. Courses will have a minimum of four Master level signs, a minimum of three Excellent level signs, and a minimum of three Advanced level signs. When this class is being judged by the same person judging the Master class, the course will be the same except the jump will be replaced with any other class sign. Section 19. Rally Choice Class Title. The letters RC may be added after the name of each dog that has been certified by at least two different judges to have received qualifying scores in the Choice class at ten licensed or member rally trials. That dog will receive a Rally Choice certificate from the AKC. The letters RC will be followed by a numeric designation indicating the number of times a dog has met the requirements of the RC title as defined in these Regulations. (RC2 for 20 qualifying scores, RC3 for 30 qualifying scores, RC4 for 40 qualifying scores, etc.)
