I also understand that the participation of me and my dog in the training will require some physical activity on my part and on the part of my dog. I also understand that this activity will involve running among obstacles on my part, and running, jumping, and the use of various obstacles by my dog which could result in injury to me, to my dog, or to others. - 2) That my dog is in good health and can perform the physical activities necessary.
- 3) That I further represent that my dog is friendly and not a hazard to persons or other dogs. I agree to take any steps requested by my instructor, the class coordinator or the training director if they feel that my dog is a hazard to persons or other dogs.
- 4) That I further agree to keep my dog under control at all times, to carefully watch him at all times when he is not confined to a crate or other similar device, and not to allow him to interfere with the participation of others in classes and other club activities.

I understand that, as a student or instructor training with Mobile Bay Dog Training Club, I have an obligation to help with equipment. In particular, if I attend the first class of the morning or evening, I must arrive at the designated time and help set up the equipment. I must help change jump heights during class. If I come to the late class, I must stay after class and help put the equipment away.
